

## THE HOME

This is an example of our Cirrus floor plans extended garage option. This car showroom can be built out on the lower level connecting to the garage. The image showcases the furniture on a platform, which is on wheels, so if needed, can be moved by rolling the platforms to switch out the cars in the car elevator.

## THE COMMUNITY

Tucked into the base of Camelback Mountain, Cullum's neighborhood of homes within the Ascent community consists of 51 elevated homesites that boast expansive views and an adjacent world-famous luxury resort. These detached homes are minutes to Sky Harbor and Scottsdale airports and gated for security and privacy.
